Mr. David Johnson

Docket # 22647-01F

043507-01F
22647-01

This letter is lawful notification to you, David Johnson, and this notification requires your written response **WITHIN 5 (FIVE) DAYS** receipt of this document, specific to the subject matter.

Notification of legal/lawful responsibility is the first essential of due process of law. As silence is acquiescence under the law, silence can only be equated with fraud where there is a legal or moral duty to speak, or where an inquiry left unanswered would be misleading, whether intentionally or not. Responses that are immaterial or irrelevant to the subject matter, or that are generally non-substantive, will be treated merely as a provision of information, and legally as a non-response, with willful intent to defraud.

In order to ensure unequivocal clarity, and to effect the removal of any and all assumptions and presumptions, you are hereby put on notice that this notification is not directed to the legal fiction, DAVID JOHNSON, but to you, David Johnson, in your private capacity as a non-fictional entity who has sworn an Oath of Office, and who, by virtue of that oath, has a mandate to serve the People that are of the Public.

The People's contracts, being the Ancient Charters and Statutes confirming the liberties of the Subjects (Biblical Law), Treaty of Paris 1783, the Maxims of Common Law, the Constitution of the united States of America with the Bill of Rights, the Constitution of the State of Texas, and every additional ordinance of man that inherently recognizes the supremacy of God and the preeminence of His Law, together with the mandated Oath of Office of the above named PUBLIC SERVANT, constitutes an unconditional and irrevocable offer of intent by the respective and adoptive governments and their officers to act, or to refrain from acting in a specified way toward private Citizens, and for other purposes, and is binding upon those who choose to be subject to it, as your Oath of Office has so bound you, as a PUBLIC SERVANT of our government.

SPERIAL PRIORITY MAIL

Be it therefore known by these presents, that I, William Bob Satterlee, a competent natural man/woman upon the land, do hereby and herein give formal Notice of Acceptance of the mandated Oath of Office of the above named PUBLIC SERVANT, David Johnson, Judge. The said Oath of Office being your open and binding and irrevocable offer, to which my acceptance does hereby ratify into a firm and binding, private, bilateral contract between us, by which you agree to uphold the Supreme Law of the Land, also known as the Constitution of the united States of America, with the Bill of Rights, and to perform all of your duties as a PUBLIC SERVANT, and to uphold and to protect all of my rights, and by which I agree to receive the said, and the implied protections and provisions of that law, and of my rights, both as and of the services of your Office, as the valuable consideration passing between us that consummates the acceptance of the contract as it was offered.

This, my Notice of Acceptance of your Oath of Office is made in good faith and explicitly without recourse. The contract now between us, now irrevocably consummated, pertains to your having knowledge of the law, and having the power to stop a wrong, and thus the duty to stop a wrong from being done, particularly where such a wrong results in, or causes any deprivations to my religious freedoms, and/or my civil rights, and/or my natural rights and liberties, the deprivation of which in whole or part, shall be deemed a breach of contract, a violation of substantive due process, a breach of public trust, and a breach of fiduciary duty, all or any of which you shall be held liable for, without recourse and without further notice.
